GREELEY FOR GRANT.

The Result of the Frient Editor's Last interview with the President.

Crimes, and Begs for His Renomination.

Hon. A. W. Legrett, Secretaries; and the Hon. B. F. Manierre, Treasurer. The Hon. Horace Greeley was then daly installed, and spoke as follows:

THE RESULT OF THE VISIT TO GENE
of the State Committee, even though BAL GRANT.

due d me to accept the position to ant. I fully understand that the dele-

to pronounce such hopes chimerical that nine-tenths of the Republicans of this city, as well as ninety-nine hundredths of the entire party, ardently desire such harmony, and impatiently Grant, I recognize none as a Repub stitutional number required to pass It is reported that the Prussians are demand the subversion of whatever licar who is not grateful for its judic-may impede it. I cannot admit that ions, energetic and successful efforts to

tory, I shall rigorously abstain from ated. That the President has made raking over the ashes of dead contro- some mistakes in appointments is obversles. All know that there have vious-it would be strange indeed in been divisions and rival organizations one so inexperienced in the conduct of among the Republicans of this city; political affairs had wholly escaped none doubt that the party has been them. Whatever blame may Justly crippled and weakened by them. All attach to this, falls rightfully on us, knew that the authority of a State who took him from the head of the

the several Assembly districts. In secordance with the laws and usages of our party organization. The powers could not be revived without a new | ver

election, which they have no longer authority to order. If this is not the Republican Union General Committee, then there is none, and the orcanication in this city is defunct. er who, to his friend's observation,

I am heartily for that, and will do my best to secure general assent for the proposition. For some Associations have busted themselves bury. with the expulsion of members. It seems to me high time that they admitted a few thousands to fill their o expel. Let us have a fresh enroll. pected death, at Harrisburg, Pennsylment; let the best Republicans of whatever stripe be selected to make heart disease. gates to committees or conventions

Tammany party, and that we are organized in the interest of its plunder. At the late election he was a candiing wing! Such charges are to be an-

been so certified that he was not the choice of his constituents. Where the majority shall be satisfied with their present delegates. I see no reason for holding a new election; but I am open to conviction on this point! Looking to the future, I avow my self a convert to the doctrine improperly termied minority, but which is truly compacte representation. I would have all Republicans representation. Thursday last he had a severe attend in this committee and in every convention of our party. Suppose a disconting the chief of the free persons the thousand "rings," if the re-reconstruction is not acted by this Administration is not acted by the reaction person at acted by this Administration is not acted by this Administration is not acted by

convention of our party. Suppose a district entitled to five delegates, and to have about five hundred members the Buffalo Academy of Music. on its roll, whereof three hundred choose to be represented in one interest, two hundred in another. I would have such a system and such rules for

E-St.

voting that the minority might choose two of the delegates, leaving but three to be chosen by the majority. I am sure that this system—just imbedded Legislative Proceedings—No State in the new Constitution of Illinois, and adopted in several localities—is estined to command universal ac-He Threws a Blacket Over the President's ceptance unless supplanted by one still better.

THE POWER OF THE STATE COMMIT-THE

But It is said, gentlemen, that the being called, the Hon. Horace Greeley men are slow to suspect the motives nessee, as requested in a communicato do right, and will not make haste to disorganize under the plea of reorganize under the plea of reorganizing us. I am confident that it will approach us as friend meets triend, with earnest intent to dispel distrust A. Foder second Vice President; the Hon. George F. Coachman and the by mutual explanations, and to secure horn by an exhibition of good

Gentlemen of the Committee—On the morning after our late disastrons election, I remarked that there were Republicans enough in our State for one triumphant party, but not for two. The conviction thus expressed has brought me to this meeting, and induced me to see of the position to the conviction of the second should be seen of the position to the second should be seen of the position to the second should be seen of the position to the positi it should direct that this Committee

which you have elected me.

I am here in the confident trust that the feuds which have so long distracted and weakened the Republi- mistaken) of the State Committee cans of this city may be stopped, and all our citizens who rejoice that the rebellion was suppressed, secession determined by the convention, and called in their order as entitled, prima facie, to feated, and slavery abolished, may be united in one harmonious, effective organization. It will be time enough ter an carnest and general effort has districts have already been quite peen made to realize them. Assured enough disgusted and demoralized by such contests from the city.

cacles thereto are insuperable procure the ratification of the Fif-AS MY Object is peace, and not vic
